### MEMORANDUM

FROM: Juan Paula Paez, Comptroller

TO: Dr. Manuel A. de Varona, General Coordinator

SUBJECT: Relatives of Internees in the Camp to Whom Allowances Must be Sent to Cuba

Attached herewith I submit to you the list of persons to whom allowances are to be sent to Cuba (relatives of internees in the camp). Even though in our conversation you notified me which person would be responsible for this matter, I see myself forced to inform you that until due coordination has been made, it is necessary for you to give this matter the quick solution it requires through the channels which the Front may have available in order to deliver the allowances agreed to since this Department desires to provent adverse comments about the organization of the Democratic Revolutionary Front.

Since this is something which is strictly confidential because it has to do with the relatives of military personnel, I am sending this directly to you in view of the fact that the Assistant Military Coordinator does not have any channel at his disposal to our satisfaction.

Awaiting your quickest reply in order to solve this matter, I remain,

Attentively,

(signed)
Juan Paula Baes
Comptroller

#### SUMMARY OF RECEIPTS AND EXPENDITURES 1 to 31 October 1960

Almost all operations carried out in the "Ranco and Paula" account correspond to the payment of the Social Assistance and Headquarters Staff, and in the future this account will be used solely for this type of operations in order to kept them separate from the rest of the operations because of their special nature.

The fact that there are fewer receipts than expenditures in this account is due to the fact that on making a transfer from the "PAULA AND SOSA" account of \$50,000.00 to this account, the deposit was errormously made to the "Paula and Sosa" account; however, a correct transfer was made which will come under November operations. (See REPORT on "PAULA AND SOSA" for October.

#### PECUNICI DE LAS OPERACIONES DE INSRESOS Y ESPESOS Cotubre 1 al 31 de 1960

Casi la totalidad de las operaciones realizadas a travér de la cuenta "Rasco and Paula" corresponden al pago de la nómina de Asistencia Social y Estado Mayor, y en lo sucesivo, esta cuenta será utilizada solamente para este tipo de operación a los efectos de mantenerlas aisladas del resto de las operaciones, por su indole especial.

El hecho de que aparezcan menos ingresos que egresos en esta cuenta - se debe a que al hacer una Transferencia dela cuenta "FAULA AND SOSA" de \$50,000.00, a esta cuenta, por error se hizo el depósito en la mis ma cuenta "Faula and Sosa", pero posteriormente se hizo una transferencia correcta que caerá dentro de las operaciones de Hoviembre. (Véase el INFORME de Octubre de "FAULA AND SOSA").
